## **STORIES OF THE ANCIENT GREEKS**

Their stories have gone into the literature of all Western nations, and nobody can claim to be well-educated who does not know something of them. This little book is written that children may learn a few of the fables and some of the facts which are part of the treasure of the world. The facts are given.

### **Mark Twain, Walt Disney, and the Playful Response to ...**

Playful Response to Pirate stories When Huck asks what pirates do, Tom readily responds, "Oh they have a bully time—take ships, and burn them, and get the money and bury it in awful places in their island where there's ghosts and things to watch it, and kill everybody in the ships—make 'em walk."

### **The Caribbean short story: critical perspectives**

Female identities This interesting collection of essays demonstrates how Caribbean short stories elude the limited criteria of short story theorization and highlights neglected writers in this genre. Five sections trace the publishing history from the early 20th century when much Caribbean literature was influenced by imperial culture.

### **Pirate Capitalism, or the Primitive Accumulation of ...**

Pirates are often described as existing on the margins of the world economy, emerging from the outskirts to disrupt otherwise free capitalist markets. With this narrative in mind, it is not surprising that the pirate remains a marginal figure within both the fictional stories ...
